

REF. 6551131

GENERAL DATA

Division : Body Protection **Family :** Professional Footwear

Range: Temptation

Line: City

Brand formerly known as: BACOU

Business Countries

EMEA

United Kingdom Middle East **Activity Domains**:

Chemical Industries • Logistics • Services • Industry

Product Use:

Safety shoes for professional use.

PRODUCT ADVANTAGES

Feature:

Fine and stylish outsole

Benefit:

Flexible and light

Slip resistance on different types of surfaces

Feature:

200J safety toecap

Benefit:

Offers optimal protection

Feature:

Leather lining and leather insole

Benefit:

Comfort and durability

Feature:

High quality leathers in classical colours (brown and black leather)

Benefit:

Suitable for different working environments

TECHNICAL DESCRIPTION

Sizes: 35-42

Midsole:

Composite anti puncture midsole : FLEXIUM ™

Upper:

Full grain leather upper

Leather lining

choix: laces black/beige

Toe Cap:

200 J, steel toe cap

Insole: Leather insole

Outsole:

Black PU monodensity sole

Shock absorption capacity > 20 joules

Good abrasion resistance High resitance to fuel oil High stretching resistance . Good resistance to repeted flexing (106 flexes)

Slip resistance coeficient> 0.17 Test method EN 13 287: 2004

Additionnal Features:

SRC

ADDITIONAL INFORMATION

Life Cycle:

If the footwear is supplied with a part of, or the whole sole unit made of polyurethane: We advise that the footwear should be used in the limit of 3 years following the manufacturing date, which figures on the footwear.

After this time limit, certain factors such as: exposure to sunlight, hydrometry, temperature changes, could cause a modification in the structure of the material, which would no longer maintain the same performance levels with regards to the requirements defined in the European Directive 89.686 CEE.

If the footwear is supplied with a sole unit made from a material other than polyurethane: We advise that the footwear should be used in the limit of 5 years following the manufacturing date, which figures on the footwear.

Storage Information:

Footwear should be stored in their original packaging, kept in a controlled stock area, not subject to rapid changes in temperature or humidity levels.

Care Instruction:

After use leave your footwear to dry in an aired place away from heat.

Remove any excess dust or dirt with a brush. Remove any marks using a damp cloth and soap if necessary.

Finally polish any grain or pigmented leathers using a commercially available shoe care product.

CERTIFICATION AND CONFORMITY
