

# 563 Sanitop Deluxe™

- Ergonomic benefit of 20 mm thickness worker rubber platform -more comfort - more durability.
- Straight edges allow coverage of any area through linking the mats lengthwise or side-by-side, held together by connectors.
- Optional attachable vinyl bevels for easy side or front access.
- This mat is suitable for general purpose applications.
- Drainage holes and raised studs provide aeration and allow fluids and debris to fall through, keeping the surface clear.
- Aggressive slip resistant surface.
- Made of tough compound, designed to yield a long service life.
- Free of silicone therefore safe for vehicle painting facilities.
- Cleaning with detergent and waterjet is recommended for extended service life.
