

HONEYWELL NORTH® PRIMAIR™ 500 SERIES PAPER

The Honeywell North® Primair™ 500 (PA500) Series PAPR is a new, particulate-only light-weight powered air-purifying respirator, engineered around three core pillars: comfort, ease-of-use and efficiency. The PA500 was designed to be compact, low-profile, comfortable and lightweight – perfect for use in particulate-only environments.

WHY THE PA500 PAPR?

We know that when you're working long shifts, it's important to stay comfortable while staying protected against particulates. That's why the PA500 PAPR is designed with the worker in mind, with a focus on comfort, ease of use and efficiency.
