### Product Description

With a Floatridge Energy foam midsole, the Fusion Flexweave™ Work provides cushioning with a kick. Floatridge Energy foam is supportive, highly responsive, and lighter than traditional EVA. The Flexweave™ fabric delivers flexible support, lightweight durability, and breathable strength, allowing you to put more muscle into every fiber. The slip resistant rubber outsole features visual footmapping for adaptive, multi-dimensional flexibility.

### Product Features

EN ISO 20345, S1P, Composite Toe, XTR® Brand Composite Toe, Slip Resistant (SRC), Electrostatic Discharge (ESD) (EN
