COMPOSITION

93% Cotton / 7% Elastane

WEIGHT 230 g/m²

PACKAGING

Individual pack

DESCRIPTION

The short-sleeved t-shirt guarantees excellent sweat absorption and breathability thanks to high-quality (BCI) certified cotton. At the same time, the elastane component ensures excellent fit and adaptation to body movements. The garment stands out for the attention to details such as the elastic ribbed collar, matching neck sweatband and a small chest pocket. The t-shirt is ideal for everyday use in various work environments.
